

# From 0 to Automated Release with VSTS (Or Azure DevOps)

**Mustafa Toroman**  
Program Architect  
*Authority Partners*

## Speaker Introduction

- Mustafa Toroman
- Program Architect @ Authority Partners
- @toromust
- mustafa.toroman@authoritypartners.com
- <http://toroman.cloud/>
  
- Microsoft Azure MVP
- MCSE, MCP, MCSA, MCITP, MCSD, MCT, MS v-TSP

# What we are going to do:

- Create new account
- Create new project
- Import code
- Create new build
- Create new release to multiple environments
  
- ...and we have our app in production!

# Demo time!

Q&A?

# Thank You!
